

A SCAW Workshop
Co-hosted with:
OLAW/NIH/HHS
AC/APHIS/USDA
Cornell University
Upstate Medical University

Sponsored by:
GSK
Our Animal WARDS

About The Workshop

IACUC-Advanced was developed by the Scientists Center for Animal Welfare to train members of Institutional Animal Care and Use Committees (IACUCs). The program format lets small groups discuss specific, advanced topics that are relevant to IACUC functions. Each workshop is structured in similar, design, with slight change made to met the needs of the hosting institution and or to reflect any updates.

Attendance at this workshop is limited to experienced IACUC members and administrators, principal investigators, attending veterinarians, regulatory personnel and laboratory animal care staff.

SCAW encourages local institutions and others to co-sponsor IACUC-Advanced Workshops. Please contact the SCAW office if you are interested in sponsoring a workshop.
